As it became apparent that Luke Yates would be leaving us to get married to his lovely Grace and live in Tennessee, we elders began to weigh our options for a second man to fill Luke's vacancy. We subsequently came across a young man at Freed Hardeman University who peaked our interest.

This young candidate is currently working as a Youth Minister in Wildersville, TN. Before that, he worked in Calvert City, KY as an intern. He did an internship in Dickson, TN with the Walnut St. Church in 2017 where his interest in counseling was peaked. Before this, he worked as a Youth Intern in Paducah, KY.

In 2018 he was chosen the student speaker, representing the Bible Department during the annual FHU Lectureship. He served as the Vice President and then President of the Chi Beta Chi social club on the FHU campus. He headed up a devotional book for FHU students and published it. He has been on numerous campaigns, stateside and abroad, including one campaign to Myrtle Beach, SC, which he headed and organized himself. He is currently on another mission trip in Honduras this week. He has so excelled in his time at FHU, that he has garnered accolades from President David Shannon for his initiative and leadership. He is scheduled to graduate in May of 2019 with a double major in Bible and Child & Family Studies and a GPA well above 3.5.

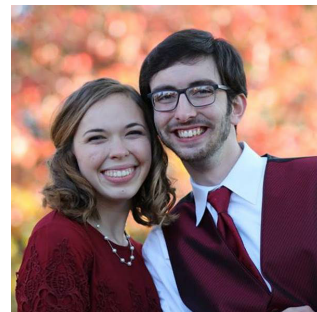

Now perhaps, you can see why we would want a young man of this caliber to come work with us. Of course, I speak of Caleb Boggs. Caleb is well qualified to help us in the Lord's work here at Hillcrest! We are NOT hiring Caleb because of his pedigree or his last name. This was NOT Danny's idea, although you might catch him smiling about it. We elders are well aware that there can be pitfalls when family members work closely together. Caleb is

coming here because we feel fortunate to find a young man of his caliber willing to help us in the Lord's work!

This past February at the FHU Lectureship, Rick Hyder, Glen Honeycutt and myself were able to interview Caleb and meet his sweet fiancé, Bethany Bertram. During our evening visits, our wives and we were impressed with Bethany, her infectious smile, her excitement and desire to be involved with Caleb and his work. Bethany loves to work with children and is currently finishing her degree in Elementary Education with a semester of fifth-grade student teaching. Bethany comes from the Palm Beach Lakes congregation in West Palm Beach, FL, where Dan Jenkins and David Sproule have preached for many years. Caleb and Bethany have the makings of an awesome team!

Caleb will start his work at Hillcrest May 27th. Caleb will work through our week of Green Valley Bible Camp, June 9-15. Then Caleb will leave us for Florida to get married and honeymoon. Plans are then for Caleb to resume his work here when he returns at the end of June. Caleb Boggs is excited to work not only with the youth of Hillcrest, but with their families as well. Caleb is already formulating and planning his work. We are excited and we hope that you're excited as well.
